Notice Regarding Receipt of Order and Start of Mass Production on e-Axle of Electric Motorcycle for DAT BIKE

F.C.C.CO.,LTD. (hereinafter the “Company”) hereby announces that the Company has newly received an order from DAT BIKE PTE. LTD. (Headquarters: Singapore; Representative Director: Nguyen Ba Canh Son; hereinafter, “DAT BIKE”), a capital and business alliance partner, for our proprietary e-Axle (a power unit using heavy rare earth-free magnet, “HRE-free magnet”), core products of our motorcycle EV/CASE business.

This order was realized as a concrete outcome of the capital and business alliance promoted by both companies, and we believe that, through our support for provision of DAT BIKE's highly efficient and high-performance electric motorcycle and by equipping them with a motor power unit using HRE-free magnet, it will contribute to cost optimization and the strengthening of a stable supply system.

Going forward, through our collaboration with DAT BIKE, we will continue to drive the creation of new customer value and business expansion, while striving to contribute to the realization of carbon neutrality and to achieve sustainable growth and enhanced corporate value.
